Wee Sea is a whimsical quilt that would be perfect for any child from age 2 to 102. The quirky sea creatures, include a dolphin, whales, jellyfish and octopi among other kinds of adorable marine life. They are created in beautiful, hand-chosen batik fabrics by Hoffman, Island Batiks and Tonga Batiks, all very similar to fabrics pictured on the pattern cover. The finished quilt measures about 36" X 47".

There are 7 months of block patterns and fabrics while the last month includes borders & binding fabrics and assembly directions. All tracing and placement guides are on 11x17 paper/folded and printed on a single side for easy tracing and light board use.
