

**One World – A 7-month BOM project**

**Finished size 51" X 52"**

**Fabrics – A hand-chosen collection of batiks. Colors resemble the pattern photo very closely**

This is a refreshing new design that we are making into a seven-month block of the month, fused applique project. The six adorable quilt blocks could all be finished as individual small quilts all on their own. The upper section of 4 blocks include land animals like a horse, kangaroo, giraffe, elephant, monkey and more! The two lower blocks contain ocean animals with some south pole critters below. You will receive one block kit including pattern and fabrics per month for 6 months. The final month will be a fabric kit and pattern that shows you how to combine the blocks add the sashing and borders, including the alligator, to finish the One World quilt. The patterns contain clear step-by-step instructions and full sized tracing & fusing guides.
