

Baltimore Woods - An 11-month Laser Cut Block of the Month Program
February 15th 2017 – December 15th 2017

Lynn and Lisa saw the original quilt at market last year and were immediately taken with the simplicity and modern look of this Baltimore style quilt. When it was listed as coming available in laser cut applique we knew we had to give you the opportunity to make one of your very own. The appliques are made in solid color fabrics and we chose a Toscana background by Northcott in a very deep teal to complement them. Each monthly kit will include background fabric for one block, the block pattern and all the pre-cut, pre-fused appliques for that month. All you need to do is fuse them down per the pattern and machine stitch the edges. Each block is just over 20" square. The smallest circle is an inch and the smallest leaf is 1 1/2" so there aren't a million tiny little pieces. The finished quilt size is 80" X 80". *Join in the fun!*
