

38" Lone Star by Quiltsmart with Diane Tuttle
Monday, 7/24/17 from 10am-4pm

The classic Lone Star pattern can be difficult to make with all of the bias edges that need to be cut. Join Diane as she shows you how Quiltsmart fusible interfacing and 4 fabrics makes constructing this an easy way to sew a challenging quilt. You can make it bold and dramatic or soft and subtle. Fun, simple and fast. Definitely a good beginner project.
