

Dream Motion Event

Friday or Saturday 6/23 or 6/24/2017 from 11am-1pm

Inspire Quilting presents a lecture and hands-on demonstration on THE Dream Fabric Frame, Dream Quilter 15 and THE Dream Motion Software.

If you have been eying this beautiful set up and want to know more then come to see us the last weekend in June! There will be a Brother® Educator on hand to give you a guided tour, and we will be offering special deals on the machine, frame and software; plus special financing available to qualified customers.

Event fee: \$10

**Everyone that enrolls will receive a \$10 Inspire Gift Card!
(Limit one per household)**

Add Quilting Automation!

THE Dream Motion™ Software allows for the ultimate quilting experience for all levels of quilters, from beginners to professionals. With an intuitive layout and easy-to-use features, you can create, design, edit your layout and quilt with absolute precision. Choose the software package that is right for you! Brother offers two software options to best suit your quilting automation needs. Select either THE Dream Motion™ Software or upgrade to THE Dream Motion™ PRO for added features.

THE Dream Motion™ Software has been designed to work on tablets running Windows Software. Take the tablet and software with you to design on the go!
