

How to make a T-Shirt Quilt with Marsha

Two sessions on Tuesdays 6/6 & 6/13 from 10am-2pm

Marsha Hicks is an expert T-Shirt quilt maker and has agreed to share her knowledge with you. She will be using the book *T Shirt Quilts Made Easy* which has a wonderful assortment of very different layouts.

The first class will be all about planning and preparation. Bring in your shirts and we will help you decide on a layout, then get you started.

The second class will evaluate your progress and help you finish up your very own T Shirt memory quilt.

About the book: T-shirt quilts have always been difficult to make look good. No longer! The author has mastered the art of stabilizing all kinds of stretchy fabrics to corral the quilt top into straight lines. She then uses a 'Comparative Quilt Design Chart' to show how to artfully arrange blocks of various sizes into a visually pleasing whole. Use Martha's finished quilts as

jumping-off points to design unique presentations of precious mementos that are precut-friendly. It will be the only guide you need for planning this project and many more to come.
