## 1-501 Corner Beam®

The Corner Beam® adds even more unique options to your quilt designs. The combinations and the twists and turns looks as if the quilter had to work with lots of little odd shaped pieces when in fact they did not. The construction of a Sliver unit advances the use of the Corner Beam® and once again makes precise piecing look hard when it's really easy!

- \*Required tool: Corner Beam®
- +Required Technique Sheet: Sliver
- +Required Design Sheet: Corner Beam

\*Can be purchased at Inspire class with 20% discount + Included in class fee

Basic Sewing Supplies	Basic Quilting Supplies

Neutral color of thread and wound bobbin	Marking pencil
Extra machine needles	Best Press or light starch (optional)
Snips or trimming scissors and seam ripper	6 X 12 cutting ruler or similar small size

**Fabric Requirements:** Fabrics will be cut during class. Therefore, the fabric requirements are healthy amounts so you can make your own design choices during class. You may even want to use some of your scraps from previous classes here.

**For course 1-501 we recommend the following yardage:**

- ¼ yd focal fabric
- ¼ yd background
- ¼ yd one coordinating or contrasting fabric with the focal fabric.

Look for high contrast when selecting colors.

**Special Note:** Please prepare (8) half square triangles prior to class. The starting squares are to be 5 ½". Please DO NOT trim down or square up these units. You are encouraged to use Deb Tucker's method of creating half square triangles from your Tucker Trimmer I® instruction set, or you can refer to class 1-101. The fabric to create (8) half square triangles is **not** included in the above fabric requirements.

Supply lists are available on line ([www.inspirequilting.com](http://www.inspirequilting.com)) and we will have little fabric bundles available for purchase if you want to have a coordinated project at the end of the school year.
