

License Plate Car Caddy with Kelly
Thursday 11/9//17 from 10am-2pm

Make this cute little bag to tie over the headrest facing the back seat in your car. Even though it features a license plate applique, you can make it plain fabric. What a great item to hang in front of your toddler in the car. It has several pockets and is completely washable. It finishes 15in x 15in and might make a nice bag to hang on a walker too.

Grab a couple of Fat Quarters and you will be able to make one up in no time 😊
