

Trim the Tree with Martha

Tuesday – 10/10/17 from 10am-1pm

Make this sweet Christmas Tree project with a collection of holiday fat quarters or scraps! It will be great to use for a Christmas or Holiday project.

Martha will guide you through cutting and sewing up this project in a jiffy. It finishes 32in x 49in, perfect size for a quick holiday project.

This project uses Creative Grids 8" Curvy Log Cabin trim tool CGRJAW5 and 8" square Log Cabin Trim Tool CGRJAW1.

CLASS FEE: \$30 – SKILLS: Confident Beginner
Students always receive 15% off class supplies

Supplies:

- Pattern-Trim the Tree by Cut Loose Press – required
- 6 Red Print Fat Quarters or red scraps at least 3" wide
- 6 Green Print Fat Quarters or green scraps at least 3" wide
- 10 White on White Fat Quarters or light/background scraps at least 3" wide
- Scrap of brown for tree trunk
- Rotary cutter with new blade, mat and 6 X 18 ruler or longer
- Recently cleaned sewing machine with ¼" piecing foot, power cord and foot pedal
- Neutral piecing thread and several wound bobbins
- Personal sewing tool kit including Seam Ripper
- Optional: Best Press or Flatter fabric sizing– there are a lot of seams on this one 😊

Did you know?

- You can have this quilt top quilted at Inspire for as little as \$75+tax
- You get 15% off batting and backing too if you purchase at class time

Just sayin'
