Sweet & Fun

This quilt is sure to bring joy to you for years to come. The large center block features an adorable bunny all dressed up in her Sunday best, with a pretty bow and ready to hop into your home and into your heart. The Easter Eggs below the bunny can be personalized and embellished as you wish. Each one of the 12” blocks that surround the center block are pieced using the basic shapes of squares and half-square triangles. Every quilter today should master half-square triangles. Shades of pink, aqua, green and orange are the perfect choice for this sweet project. The Cottontail Crossing quilt finishes about 64” square.
