

**Spinning Pinwheels Quilt with Kelly**  
**Saturday 4/7/18 from 10am-4pm**

Spinning Pinwheels is a charming project that can be made with a fat quarter collection and Deb's Tucker Trimmer 1 tool. Each set of pieced units actually creates two blocks at the same time. The pieced border allows you to use up lots of additional fabric bits and pieces.

The pattern includes 6 size options from Lap to King with 10" blocks. We made our version in the collection "Uppercase" by Andover and we have Fat quarter sets available. Just add background and borders at 15% off the regular Inspire! price for students
